About Artist +

My name is Anna Mart. I am a digital collage artist.
All my collages express emotions, fears, love.
Everything which related to a human and his feelings.

I make creative visual collages for posters, paintings,
lookbooks, Instagram and I can animate collages (GIF,
Video).

I took part in collective exhibitions and in 2018 I made my
first personal exhibition about my work.

About Pink About Pink

About Pink +

I like to use pink color in my works.

About Collages

Some my collages are dedicated to a war, anger and destruction. I like to show that outside world reflects our inner world first.
